You're welcome.

Have you had a chance to look at the portal for submitting the 2017 APR?

Jose,

Miranda told me that DWP has stopped providing grants directly to the BIDs. DWP gave the City Clerk \$100,000 for 2014-15 (which had an application process and has been allocated) and has not provided any more funds since then. We have inquired and hope that we will receive funds for the 2017-18 fiscal year. That is all the information that we have at this time.

Thank you.

Hi Rick

Fashion District has not received the \$5 DWP Grant. Do you have any news about this?

I remember that back in Sep/2016 somebody (I can't remember who) said that the DWP grants would continue to be paid.

OK. Wasn't there information about this at the BID consortium?

I've been told we have no information on DWP grants this year. I think they've been discontinued at least for now.

Yes the grant funds are disbursed to the BIDs through the Special Assessments Office.

I am copying Maria and Jose, who may be familiar with this.

Our office has received no information about the DWP grants. Is this something that was already agreed to?

Hi Rick

BIDS normally receive a \$5,000 grant from DWP every year.

Do you know whether those grants are scheduled to be paid for 2016 for both Fashion District and Sunset and Vine?

Thanks
